15. **WARRANTY:** The contractor agrees to warrant and assume responsibility for all products (including hardware, firmware, and/or software products) that it licenses, contracts, or sells to the State of Utah under this contract for a period of one year, unless otherwise specified and mutually agreed upon elsewhere in this contract. A material breach of any term or condition of this contract. The State will issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. Time allowed for cure will not diminish or eliminate Contractor's liability for damages. If the default remains, after Contractor has been provided the opportunity to cure, the State may do one or more of the following: 1. Exercise any remedy provided by law; 2. Terminate this contract and any related contracts or portions thereof; 3. Impose liquidated damages, if liquidated damages are listed in the contract; 4. The CONTRACTOR further agrees that all of the work described in Attachment C will be completed in a timely manner.
4. **COST PRINCIPLES AND ADMINISTRATIVE RULES:** The following state and federal requirements apply to the financial management function for local CDBG programs: 24CFR Part 85 – Administrative Requirements for Grants & Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments. This part establishes uniform administrative rules for Federal grants including guidance on financial administration, procedures for control and disposition of property, and retention of records.
5. **REQUIRED REPORTING OF FINANCIAL PERFORMANCE:** In accordance with OMB Circular A-133, *Audits of State, Local Governments and Non-Profit Organizations*, state and local governments or non-profit organizations that expend \$500,000 or more in total federal financial assistance (from all sources) in the recipient's fiscal year shall have a Single Audit completed. Determining the amount of federal funds received shall be based on actual cash spent, not notice of an award or execution of this or any other contracts. Recipients that expend less than the federal assistance threshold are exempt from the Single Audit requirement, however, the recipient's financial records shall be available for review, monitoring or audit by appropriate officials of the federal granting agency, the Department of Community and Culture, the State of Utah, any pass-thru entity and/or the General Accounting Office. 8. **PAYMENT WITHHOLDING:** The CONTRACTOR agrees that the reporting and record keeping requirements specified in this contract are a material element of performance and that if, in the opinion of the STATE, CONTRACTOR'S record keeping practices and/or reporting to the STATE are not conducted in a timely and satisfactory manner, the STATE may withhold part or all of the payments under this contract until such time as in the opinion of the STATE such deficiencies have been remedied. In the event of payment(s) being withheld, the STATE agrees to notify the CONTRACTOR in writing immediately

upon denial of payment of the reasons for the denial and of the actions that the CONTRACTOR will need to take to bring about the release of withheld payments.

In addition to the possible denial of payment noted above, the contractor agrees that, upon execution of this contract, the State will retain the final 5 percent of the total amount specified herein until State representatives have conducted a monitoring interview. This interview will be to document appropriate expenditure of the 90 percent of the contract funds received.

If any areas of non-compliance with CDBG regulations requiring correction on the part of the contractor are noted, the State reserves the right to refuse the grantee's request for final fund draw-down until satisfactory evidence of compliance has been submitted.

9. **PROJECT DURATION:** The termination date for all contracts is December 31, 2007. CONTRACTORS who have not utilized 90 percent of contract funds by the time that the contract term has reached its 18th month of operation, should request an extension of the contract termination date in order to allow adequate time for the monitoring review to occur and any subsequent corrections to be made, and final draw-down of funds to occur. Construction based contracts may not be able to complete their project within the allotted time frame unless they have met various milestones near the end of the final year of their contract. Any requests for construction contract extensions beyond December 31, will be based on how a CONTRACTOR has met the following milestones.

The STATE must give each CONTRACTOR a 45-day notice of termination and if the CONTRACTOR can meet the deadlines then the termination will be canceled and the project may proceed. The CONTRACTOR may appeal termination notices. Appeals must be made in writing within 10 days following the receipt of the notice of termination. The CDBG Policy Committee will arbitrate in appeals cases. The CONTRACTOR does not need to be in attendance at the policy committee meeting and decisions can be made based on telephone polls, conference calls, faxes and E-Mail. Non-construction projects may be extended on a case-by-case basis by the state based on need and the application of written criteria.
